In recognition of **Prostate Cancer Awareness Month** this September, all net tournament proceeds and donations will benefit **Garfield Health Center** to support vital healthcare services for underserved men in the San Gabriel Valley.

Carrying forward the spirit of last year's Chess for Cure SoCal, which promoted women's health awareness, a **"Top Woman Player"** will be awarded in all sections to inspire our female players.

Let's rally our pieces to protect the King and promote community health.
